Narrative/Project Description:			
<p>The Mountains Recreation and Conservation Authority's (MRCA) requested grant to implement the Coastal Slope Trail in Malibu would fund the acquisition of fee simple or easement interests on some combination of APNs 4465-004-070 and 071, 4467-002-041, 4467-003-031, 4467-003-021, 4460-015-001, 4460-014-006 and 008, 4467-002-042, -044, and -060. APNs 4460-015-001 and 4460-014-006 and 008 are located along the old Malibu Highway along the divide between Escondido and Latigo Canyon Roads. APNs 4465-004-070 and 071, 4467-002-041, 4467-003-031, and 4467-003-021 are located on the divide between Ramirez and Escondido Canyons. All of the properties have been appraised. The remainder funding would be from Proposition A Excess Funds or Proposition 84. Potentially the full \$1,500,000 could be used for as few as two parcels. All parcels are within the watershed of Ramirez Creek which flows directly into the Santa Monica Bay. The acquisition of said parcels would provide protection of watershed and land resources. The acquisitions will also facilitate an important link in the Coastal Slope Trail.</p> <p>The MRCA requests that the term of agreement begin July 9, 2007 and end no earlier than June 30, 2008.</p>
